## Nourishing Hair Oil

### Care for your hair with Forever's Nourishing Hair Oil. A rich, lightweight blend of aloe and six botanical oils.

Rich in nutrients that help to provide moisture, shine and frizz control without weighing your hair down or making it feel greasy, Forever's **Nourishing Hair Oil** combines aloe and a blend of six silicone-free botanical oils.

Each of the six oils packs a nourishing punch, while enhancing your hair with a lightweight feel. Crambe abyssinica oil is derived from a mustard plant and shields hair from styling or environmental stressors. Jojoba oil resembles natural skin sebum (fatty acids) of the scalp and hair. Pataua oil, derived from the fruit of an Amazonian palm tree, is rich in antioxidants that soothe and smooth hair with a non-greasy feel.

Tsubaki oil, which is extracted from the Japanese camellia plant, adds elasticity. Pequi oil, known as 'Cerrado's Gold', is from the fruit of a tree found in Brazil, whose fatty acids and antioxidants add shine, smooth the hair's cuticle and reduce frizz. Finally, Safflower oil promotes moisturisation.

These oils are then supported by the power of aloe vera, which provides moisture to the hair and also contains trace elements of antioxidant vitamins A, C and E.

Ideal for all hair types and textures, Forever's **Nourishing Hair Oil** contains plant-based, renewable silicone alternatives to support hair from stressors like bending and friction. Additionally, beetroot extract provides silkiness to the hair, with nutrients that help give hair a healthy-looking appearance.

For a weightlessly soft feel and a blend of six botanical oils that provide moisture, shine and frizz control, Forever's **Nourishing Hair Oil** is the perfect product to add into your haircare routine.

## FAST FACTS

- Ideal for all hair types and textures
- Silicone-free, plant-based formula that won't weigh hair down
- Quick-absorbing dry oil formula glides through hair with no greasy residue
- Blend of six botanical oils provide moisture, shine and frizz control
- Light, sweetly subtle, fruity-floral fragrance

## CONTENTS

30 ml

## DIRECTIONS

Apply a few drops into your palm, rub palms together, and smooth over damp hair from the ends to mid-length. Can also be used on dry hair after styling.

## CERTIFICATIONS

Kosher, Halal, Leaping Bunny
